

“STOP,
you need to see
the POOR.”

Like the good Samaritan, we need to stop for just one. We need to look at each one. The Lord broke our hearts for the poor.

- Heidi Baker, Always Enough

STOP FOR THE ONE

The simple power of love in action

STOP FOR THE ONE

The simple power of love in action

Father has poured out His Spirit of adoption into our hearts, drawing us continually back into His arms.

Likewise, we have been stopping for the one wherever they appear wandering the streets, abandoned in a village or anywhere we find them. The love of Jesus compels us to Stop for the One, and so we gather them in and offer them food, shelter and love in many practical ways.

Join us side-by-side and share the joy of sponsoring some of these recovered treasures!

For Iris, these children can be found living in our children's centers across the world or they may be dwelling in a small village where our Partners in Harvest network of pastors delivers food, clothes and educational supplies. Under our Sponsorship Program, individuals or groups may sponsor children,

and from far away they may participate in this tremendous outpouring of Father's heart for these precious children, who are being transformed from orphans to full sons and daughters! Nearly all of the money donated goes directly to the children. Our administration costs are kept extremely low due to the extraordinary generosity of our volunteer workers.

Through your support and the Lord's leading, we can tackle abuse, abandonment and poverty. Together, we can help Mozambican children and their families grow, learn and become sons and daughters.

IRIS CENTER CHILD

\$100 a month per child to support

Our desire is to be moved by the Father's heart pulling children out of the darkest circumstances and adopting them into God's family. These children are precious treasures, and we long for them to thrive! Each Iris center child is provided housing, food, clean water, medical care, education, recreation, and spiritual mentoring. Our heart is to raise up a generation of children who know our Father God and can confidently walk out the calling that He has for their lives. We aim to do everything we can in the Lord to transform "the least of these" into Godly leaders who know their identity as sons and daughters of the King and see His fruit in their lives and ministries. We long to see each child prosper and excel, that they may become leaders in their nations.

IRIS VILLAGE CHILD

\$36 a month per child to support

Our heart is to raise up a generation of children who know our Father God. We long to see the next generation prosper and excel to become leaders in their nations. God has put education on our hearts as a huge key to transforming individual lives and nations. We run primary schools where children can learn, grow, and receive Papa's love every day. We run after-school programs where children are fed spiritually and physically. Most of the children who come to our schools are the poorest of the poor with no other option for education. We also encourage our network of churches and pastors to help support struggling children in their villages. We visit a number of local churches every few months to bring food, pay school fees, and come alongside these pastors caring for the most desperate children in their congregations. Every child that we meet is a treasure from God, and it is our joy to love them with His love!
